

5S

WORKPLACE AWARENESS

IN PRACTICE (1 DAY TRAINING)

WHAT IS 5S?

5S is a productivity tool that eliminates clutter and waste so that value-added activities can flow. An organized workspace so that the real work can happen effectively.

WHAT IT IS NOT

5S is not ordinary housekeeping or cleaning to be neat. Eg painting, cleaning. It is not a one off event. It is not only for manufacturing dept.

WHAT WILL I LEARN?

Understand the background and importance of 5S in Lean programs, apply each step with practical examples, and implement a 5S program in the workplace.

WHO SHOULD PARTICIPATE?

The course on 5S is suitable for managers, supervisors, team leaders, and personnel involved in process improvement who aim to learn the basics of 5S and implement a 5S program within their organization.

BENEFITS OF THE TRAINING

Enhanced Safety
Enhanced Quality
Foundation for CI
Improved efficiency
Improved productivity
Reduce waste / cost
Employee satisfaction
Customer satisfaction

- WHAT IS COVERED**
- Background & History
 - Workplace observation
 - Standardize (Seiketsu)
 - Visual Factory tour
 - 5 Elements of 5S
 - Sort (Seiri)
 - Sustain (Shitsuke)
 - Benefits of 5S Waste
 - Set In Order (Seiton)
 - Discipline 5S+1
 - Shine (Seiso)
 - (Incorporating Safety)
 - How to implement 5S in any organisation

5S

WORKPLACE IMPLEMENTATION

IN PRACTICE (3 DAY TRAINING)

WHAT IS 5S?

5S is a productivity tool that eliminates clutter and waste so that value-added activities can flow. An organized workspace so that the real work can happen effectively.

WHAT IT IS NOT

5S is not ordinary housekeeping or cleaning to be neat. Eg painting, cleaning. It is not a one off event. It is not only for manufacturing dept.

WHAT WILL I LEARN?

Have an overall understanding of the background and history of 5S and how it is an important and necessary element of an overall Lean Programme.

Understand and apply each step of 5S through study of practical examples.
Plan and implement an area specific 5S programme in their place of work
Audit and score the 5S implementation
Prepare Management reports of 5S implementation

DURATION

3 Day onsite with practical implementation for success.
Can accommodate 8 participants.

WHO SHOULD PARTICIPATE?

Managers, Supervisors, Team Leaders and CI Champions in the entire organisation. This course is intended for anyone in an organisation who will facilitate and fully implement the systematic implementation of 5S'

WHAT IS COVERED
